

Samuel E. Voight and Gail Newbury opened the doors to The Christ Community Center in August of 2018. It was created from a desire to provide a place for those who want to know the Christ within. When you take a step into The Christ Community Center you will have an inner feeling of well-being.

The Christ Community Center is a place to experience community. A community built with Christ as its foundation. The building blocks are comprised of trust, meeting the needs of others and honoring each other.

It is a place to pause from the world. The atmosphere within the Center is cozy, comfortable, gentle and peaceful.

Do you hunger to experience the Christ within? Christ planted a seed within you from the very beginning of your existence. Through faith, watered and cultivated by love this seed will grow and you will experience intimacy with Christ. Once the connection is made a chain reaction penetrates your heart and mind and brings you hope and consoles you.

Come to The Christ Community Center where the Christ is felt rather than defined. For more info, contact Gail: (530) 277-1505, or email : thechristcommunityctr3@gmail.com

We look forward to meeting you!
